Paving the Road to Success!

High School Summer Internship – Field Operations & Quality Control

Pave the Road to Success! For over a hundred years, Rieth-Riley has been an industry leader throughout Indiana and Michigan as a heavy highway civil construction company. We specialize in asphalt construction for commercial, industrial, and municipal parking lots, streets, highways and site development projects of all complexities and sizes. Rieth-Riley is a 100% employee-owned company. We truly think like owners and take personal pride and care in every project we do.

Gain insight, work experience, and work-based learning credit through a paid internship at Rieth-Riley! We provide students studying the Civil Construction Pathway (or related construction pathway) an opportunity to learn from industry experts and discover a deeper understanding of heavy highway/civil construction. The Civil Construction Pathway is recognized by the Department of Education as a high value program. Rieth-Riley will provide the following PPE items: work boots, hard hat, safety vest, gloves.
